

**🔥 Jersey One Regional Pentecost Gathering**  
**Sunday, May 17 at 6 PM**  
**America's Keswick – Gymnasium**  
**601 County Rd 530, Whiting, NJ**

**The vision is simple and powerful:**

**To bring together as many churches as possible from Central Jersey and the Jersey Shore to worship, pray, and lift up the name of Jesus—honoring the birth of the Church on the Day of Pentecost.**

*Note: We are gathering the week before Pentecost Sunday (due to Memorial Day weekend) to make space for maximum participation across the region.*

## **This gathering is intentionally different.**

There is no headliner. No guest speaker. No featured artist.

Instead, there will be a unified team of skilled, anointed worship leaders and musicians, partnering with Jersey One leadership to steward a night that flows in and out of worship and prayer—led by pastors from across the region.

This is also why the gathering is not hosted at a specific church. The focus is not on any one ministry or leader, but on the Body of Christ as a whole.

Our heart is unity.

We believe in gathering visibly as one—just as Jesus prayed that we would be one with the Father.

Whether this grows to fill stadiums or remains a smaller gathering, we are committed to hosting this annually in simple obedience to the Lord.

Pastors and leaders will lead in prayer, and congregations are invited to come, worship, and intercede together in unity.

### **About Jersey One**

Jersey One is a relational network of pastors committed to keeping a flame of prayer and worship burning across our region.

We are not denominationally driven or institutionally bound—the connection is relational, not organizational.

Our hope is that this annual gathering becomes a visible expression of what God is building behind the scenes: A growing culture of unity, prayer, and mutual support among churches and leaders.
