**Jersey One Girls is a collaborative mission birthed from a unique partnership between four local ministries: Shore Life Church of Toms River, New Hope Fellowship of Whiting, Ark & Altar Church of Bayville, and Kingdom City of Deliverance and Destiny International of Bayville. Our vision is to move as 'one cohesive Body,' pooling our gifts to empower women and advance God's Kingdom together. We are thrilled to invite you to our bi-monthly Friday night gatherings, beautifully titled Flourish. These are intentional nights designed for you to grow, be refreshed, and find true sisterhood. Our first gathering kicks off Friday, May 15, hosted at New Hope Fellowship in Whiting.**

**Come find your place at the table and prepare to flourish in every season!**
